Comment from Public or other Vigo County Representatives. Jennifer Landman and Lea Grey came in to present to the Board their idea of wanting to have a personal cemetery put on their property. Jennifer stated that her parents have had this idea for a while now but never pursued any action towards it. Jennifer's father passed away Monday March 20 from lung cancer and they are wanting to bury him on the property. This is something that would just stay within their family. They have 30 days to get this established. It will be fenced off and cared for. They will keep records of the deaths at the library and at their home. They stated that they will have this area platted and be separated from the other acreage.

There being no further business, it is now ordered the Board be recessed.
